Fall Semester

Approaches to writing scientific papers

Prof. John Texter

(Eastern Michigan University)

118

John Texter is professor of polymers and coatings at Eastern Michigan University. He obtained his BSEE from Lehigh University in 1971 where he also received MS degrees in chemistry and mathematics and a PhD in chemistry. Prior to initiating his academic appointment in 2002 he spent 25 years at Eastman Kodak Company and Strider Research Corporation and a year at the National Science Foundation. His research interests include advanced polymer materials, solvent-free nanofluids, and particle dispersion science and technology. He is the author of over 200 publications including 46 issued US patents and has organized over 24 international conferences and symposia.
